ABOUT TRAVEL GANG- *THE POINT OF DIFFERENCE*

Our vision is to change the world by innovating creative international experiences that allow young people to develop new ways of thinking. At Travel Gang we love to learn, we love to travel and we love to have fun! We design, customise, organise and conduct group adventures and programs that maximise learning and career development outcomes.

Travel Gang is unlike any other tour operator in Australia. We are professionals within the performing arts industry (directors, producers, actors and writers) who also happen to organise the highest quality performing arts tours for Australian and American students.

Tap into *our* industry contacts and give your students exclusive access to some of the highest level industry practitioners in the USA, including a list of actors, directors, choreographers and composers working on current Broadway shows. Do your students want to meet a performer from Hamilton the musical? Or maybe Frozen? Or perhaps they would like a Q&A with Stephen Schwartz, composer of West Side Story & Wicked! Or maybe you would like a lesson from our friends Pasek and Paul, composers of The Greatest Showman, La La Land and Dear Evan Hansen!

We are also uniquely placed to arrange home stays, collaborative performance opportunities and reciprocal school relationships. Let us know if this interests you!

We are truly unlike any other company. #travelgangdelivers

"The team at Travel Gang were meticulous in their preparation, coordination and genuine care and support shown to each and every one of the fifty children and chaperones who participated in the 20 day tour of the USA. It is by far the most comprehensive and professionally managed group event I have been associated with. The quality of the communication and attention to detail which accompanied the management of this tour was highly impressive. I have no hesitation in recommending a Travel Gang program to any parent or educator."
